

The Friends of the Danvers Council on Aging

25 Stone Street, Danvers, MA 01923

August 31, 2010

Dear Members of the "Friends of the Danvers COA,"

As the 23 years of the Friends of the Council on Aging comes to a close and a new year starts, let me thank you for your past membership donations to the Friends. I feel sure that we will have your continued support. **Just a reminder** – some present or prior employers (if you are retired) will match your donation to the Friends and, if such is the case, please let Pam or Paula know. There are several levels of membership and, if you could move to a higher lever, we would all be very grateful. Also, several of the businesses in town offer coupons and/or discounts to members of the Friends (see a listing in **Oniontown Seniors**.)

Many of the events and programs presented during the year are funded by the Friends, as are educational programs and the Senior Award Program. **Triad, Yellow Dot, Lifetime Enrichment Awards** are all sponsored by the Friends as are the High School Scholarship Awards. Both **The Maple Sugar Jazz Band** and the **Patio Parties** are thoroughly enjoyed by all. A new copier-printer has enabled the **Oniontown Seniors** newsletter to be printed in-house. Tents for the Bocce Court and the Patio Parties and a portion of the new 10-passenger van were another purchase.

The membership funds we receive allow us to fund the above projects and many more, which cannot be covered by the town budget. Plans are already underway for the new year, and with your continued support, we can all continue to enjoy the events and projects which have been accomplished in the past.

Thank you for your generosity in the past; I am confident you will make it possible to continue to provide similar projects and events in the future.

Sincerely,

Robert Kellard
2010-2011 President
